The Union and the Employer, whether party to this Agreement independently or as a member of a Multi-Employer bargaining unit, agree to utilize and be bound by this Article.

SECTION 1: Grievances of the Employer or the Union, arising out of interpretation or enforcement of this Agreement, shall be settled between the Employer directly involved and the duly authorized representative of the Union, if possible. Both parties may participate in conferences through representatives of their choice. The local Employers' Association or the Local Union, on its own initiative, may submit grievances for determination by the Board as provided in this Section. The grievance procedure set forth in this Article applies only to Labor-Management disputes.

To be valid, grievances must be raised within thirty (30) calendar days following the occurrence giving rise to the grievance, or, if the occurrence was not ascertainable, within thirty (30) calendar days of the first knowledge of the facts giving rise to the grievance.

SECTION 2: Grievances not settled as provided in Section 1 of this Article may be appealed by either party to the Local Joint Adjustment Board having jurisdiction over the parties and such Board shall meet promptly on a date mutually agreeable to the members of the Board, but in no case more than fourteen (14) calendar days following the request for its services, unless the time is extended by mutual agreement of the parties or Local Joint Adjustment Board. The Board shall consist of an equal number of representatives of the Union and of the local Employers Association and both sides shall cast an equal number of votes at each meeting. Except in the case of a deadlock, a decision of a Local Joint Adjustment Board shall be final and binding.

Notice of appeal to the Local Joint Adjustment Board shall be given within thirty (30) calendar days after termination of the procedures prescribed in Section 1 of this Article, unless the time is extended by a mutual agreement of the parties.

grievance before the hearing.

b) The Union shall be required to notify any union member involved in said grievance of the date, time and location of grievance hearing. The contractor's association shall be required to notify the employer involved in said grievance of the date, time and location of grievance hearing.

SECTION 3: Grievances not disposed of under the procedure prescribed in Section 2 of this Article, because of a deadlock or failure of such Board to act, may be appealed jointly or by either party to a Panel, consisting of one (1) representative appointed by the Labor Co-Chairman of the National Joint Adjustment Board and one (1) representative appointed by Management Co-Chairman of the National Joint Adjustment Board. Appeals shall be mailed to the National Joint Adjustment Board.¹ Notice of appeal to the Panel shall be given within thirty (30) calendar days after termination of the procedures prescribed in Section 2 of this Article. Such Panel shall meet promptly, but in no event more than fourteen (14) calendar days following receipt of such appeal, unless such time is extended by mutual agreement of the Panel members. Except in case of deadlock, the decision of the Panel shall be final and binding.

In establishing the grievance procedure of the Standard Form of Union Agreement, it was the intent of the International Association of Sheet Metal, Air, Rail and Transportation Workers and the Sheet Metal and Air Conditioning Contractors' National Association, Inc., to establish a method for resolving grievances permitting appeals for out of area Employers from the grievance arbitration procedures established for the territory in which work is performed. An Employer who was not a party to the Labor Agreement of the area in which the work in dispute is performed may appeal the decision of the Local Joint Adjustment Board from that area, including a unanimous decision, as well as a decision of any alternative arbitration tribunal established for that area, and request a Panel hearing as set forth in Section 3 of this Article, providing such appeal is approved by the Co-Chairman of the National Joint Adjustment Board. Such a right of appeal shall exist despite any contrary provision in the Agreement covering the area in which the work is performed.

For the purposes of this Section, an Employer who is party to the Labor Agreement of the area in which the work in dispute is performed, but has no permanent shop within the area served by the Local Joint Adjustment Board that rendered the unanimous decision, shall also be entitled to appeal a deadlocked or unanimous Local Joint Adjustment Board decision, and request a Panel hearing.

SECTION 4: Grievances not settled as provided in Section 3 of this Article may be appealed jointly or by either party to the National Joint Adjustment Board. Submissions shall be made and decisions rendered under such procedures as may be prescribed by such Board. Appeals to the National Joint Adjustment Board shall be submitted within thirty (30) calendar days after termination of the procedures described in Section 3 of this Article. The Procedural Rules of the National Joint Adjustment Board are incorporated in this Agreement as though set out in their entirety. (Copies of the procedures may be obtained from the National Joint Adjustment Board).

¹*All correspondence to the National Joint Adjustment Board shall be sent to the following address: National Joint Adjustment Board, P O Box 220956, Chantilly, VA 20153-0956, or 4201 LaFayette Center Drive, Chantilly, VA 20151-1209.

SECTION 5: A Local Joint Adjustment Board, Panel and National Joint Adjustment Board are empowered to render such decisions and grant such relief to either party as they deem necessary and proper, including awards of damages or other compensation. In grievances where the complaining/affected employee consented to and/or knowingly participated in the breach of this Agreement, no award of damages or other compensation to the participating employee can be rendered.

SECTION 6: In the event of non-compliance within thirty (30) calendar days following the mailing of a decision of a Local Joint Adjustment Board, Panel or the National Joint Adjustment Board, a local party may enforce the award by any means, including proceedings in a court of competent jurisdiction in accord with applicable state and federal law. If the party seeking to enforce the award prevails in litigation, such party shall be entitled to its costs and attorney's fees in addition to such other relief as is directed by the courts. Any party that unsuccessfully challenges the validity of an award in a legal proceeding shall also be liable for the costs and attorney's fees of the opposing parties in the legal proceedings.

SECTION 7: Failure to exercise the right to appeal at any step thereof within the time limit provided therefore shall void any right of appeal applicable to the facts and remedies of the grievances involved. There shall be no cessation of work by strike or lockout during the pendency of the procedures provided for in this Article. Except in case of deadlock, the decision of the National Joint Adjustment Board shall be final and binding.
